The South Carolina Department of Health and Environmental Control (SC DHEC), Bureau of Air Quality, has received Conditional Major Operating Renewal Permit Applications for these facilities, and has drafted operating permits that, if approved, will limit each facility's potential to emit to below Title V Major Source thresholds, therefore restricting it from Title V Major Source status as defined in SC DHEC Regulation 61-62.70 "Title V Operating Permit Program." These draft permits are subject to review under SC DHEC Regulation 61-62.1; Section II G "Conditional Major Source Permits." These permits will enable each facility to comply with applicable State and Federal Air Quality Regulations when operated in accordance with the conditionals contained therein. The pollutant limitations and other permit conditions in these draft permits are tentative and open to comment from the public and the United States Environmental Protection Agency (EPA). If approved, the draft permits will supersede the existing Conditional Major Operating Permits issued to these facilities on December 15, 1997.

Interested persons may review the draft permits, Engineering Calculation (Green) sheets, and other materials maintained and used by DHEC in preparing these permits, and submit written comments (including the permit number and facility name), within thirty (30) days of the date of this notice, to the attention of: Ms. Stacey Washington at the above DHEC address. All comments received within 30 days of the date of this will be considered when making a final decision regarding the draft permits. Where there is significant amount of public interest, DHEC may hold a public hearing to receive additional written and oral comments. If a public hearing is held, notice will be given in this publication 30 days in advance. Requests for contested case hearings may be filed after a final decision has been made regarding the draft permits. Additional information regarding contested case hearings is available from the Office of General Counsel at the above DHEC address or by calling (803) 898-3350. Request to be placed on a mailing list for notification of any future public notices or public hearings by the BAQ should be made in writing to the attention of Ms. Donna Moye at the above-listed DHEC address or by e-mail at: moyedd@dhec.sc.gov.
